

Training For Councillors

Purpose of the Report and Recommendation

To consider a Report on the available training courses for Councillors and to consider and recommend any attendance on these courses

1.0 INTRODUCTION

- 1.1 An email has been received from CALC containing various training courses for Councillors. Appendix 1 refers.
- 1.2 The budget for Member development and training is £3000 and to date there has been no expenditure on it for this financial year.

2.0 RECOMMENDATION

- 2.1 That Members consider the training courses available and any requests to attend the courses.

Subject: Friday round up

TO ALL CALC MEMBERS CLERKS AND COUNCILLORS

Dear Colleague

Just wanted to remind you about the training we will be delivering in September and to let you know that we are now holding a third Planning for New Members event in West Cumbria. Please let me know if you would like places booked on any of the events outlined below.

<p>The Effective Councillor</p>	<p>Being a town or parish councillor can be a challenge. It can take up your time and give you some sleepless nights – but it can also be very rewarding, especially when you're confident that you know what you're doing. That's why we've developed two comprehensive sessions to build up your knowledge of local council work.</p> <p>Module 1 This session will help you gain an understanding of best practices and new legislation.</p> <p>Module 2 This session will provide a more in depth knowledge of what a council should be doing and achieving.</p>	<p>Module 1 10th Sept. 6pm to 8.30pm The Ennerdale Room, The Civic Hall, Whitehaven</p> <p>Module 2 24th Sept. 6pm to 8.30pm The Ennerdale Room, The Civic Hall, Whitehaven</p>	<p>£80.00 For both Modules</p> <p>£45 per course if booked individually</p> <p>Cost for Non-members £120 For both modules £65 per course if booked individually</p>
<p>The New or Aspiring Chairman</p>	<p>The New or Aspiring Chairman session is for councillors who have just taken on this role, or who perhaps have become a vice chairman, with a view to stepping up. It will help you feel more confident in your role, alerting you to some of the common pitfalls as well as arming you with strategies and ideas for keeping your council together and moving forward.</p>	<p>7th September 6.30pm to 8.30pm Fire & Rescue HQ Penrith</p>	<p>£45.00</p> <p>Cost for Non-members £65.00</p>

Clerk Induction	This comprises two intensive two hour courses that cover two modules of learning providing clerks with an understanding of the role of a clerk, covering the role of the council, responsibilities of councillors and officers, employment issues, meeting procedures, standing orders and finance, the powers and duties of local councils.	Module 1 17th September 2.30pm to 5.00pm The Ennerdale Room, The Civic Hall, Whitehaven Module 2 27th September 2.30pm to 5.00pm The Ennerdale Room, The Civic Hall, Whitehaven	£80.00 (For both modules) £45 per course if booked individually Cost for Non-members £120 For both modules £65 per course if booked individually
Planning for New members	Understanding Planning What is development? The control and management of development The role of the Town & Parish Councillor. Coffee and registration will be available half an hour before the event starts	12th September 9.30am to 12,30pm 1st Floor, Ambleside Library, Kelsick Road, Ambleside, 12th September 2.30pm to 5.30pm Winters Park Conference Centre, Penrith 19th September 2.30pm to 5.30pm Cockermouth Town Hall	£38 per session
Planning for Experienced members	Neighbourhood Planning Development Plans Development Management Consultation with Town and Parish Councils Coffee and registration will be available half an hour before the event starts	19 th September 9.30am to 12,30pm 1st Floor, Ambleside Library, Kelsick Road, Ambleside,	£38 per session

Don't forget the following courses which are more specialist and can be arranged on demand once four individuals have expressed an interest in attending the course. Dates and venues will then be agreed depending upon the number and location of the interested delegates. If you are interested in attending any of the following courses please contact CALC.			
Website & Social Media training	The workshops will cover the development and running of a simple website and an introduction to social media for parish councils.	To be arranged as and when required	£45.00 Cost for Non-members £65.00

Code of Conduct	This session will provide the council with an understanding of the roles and responsibilities of a councillor with regards to the Code of Conduct including the registering of pecuniary and other interests.	This course is best delivered as in house training for the full council	£120
Business Planning	This session will help you identify your starting position and take you through some of the financial and budgeting benefits of Business planning.	This course is best delivered as in house training as it enables councillors from the same parish to develop the council's vision beyond the next couple of meetings.	£170 (in house session)

In addition we are currently in the process of arranging **PLAYGROUND WEEKLY INSPECTION TRAINING**. It looks as though we may have sufficient numbers to hold a course in West Cumbria and the Penrith area. Please get in touch if you are interested in undertaking this training for the first time or need a refresher.

That's all for now hope you enjoy the rest of the summer.

Best regards

Sonia

T.A. Bolam -Todd B.A. (Hons).
Chairman - 01946 841972.
Comnenus4@aol.com
Date: 25.07.2018,

Dear Mr.Mayor (Graham) and fellow councillors,

I am writing to you in my capacity as Chairman of the above club. The club has been a central feature of the town and indeed part of its very heritage for seventy years. I think we all recognise that the whole borough would suffer should the club close down.

You will all no doubt be aware of the financial difficulties the club is facing and the threat of extinction is a genuine possibility. For the last four years, the Board has fought to keep this club alive for the people of this borough and the town. Personal investment by the board has exceeded £300,000.00 and sadly, this cannot continue forever.

Behind the scenes, the club is trying to re-organise how it operates but we are down on: spectators, volunteers, directors, sponsors and advertisers. We will be meeting as usual tonight, where we hope to start to push through some much-needed reforms but getting to a position of sustainability needs capital investment of which again the club is short. We will of course do our best to fight on, but we currently do need help.

I am writing to ask if the council has emergency funding pool or some such, from which it could donate, lend, advance whatever manner you choose, to secure some funding for the club between £5K to £10K. I cannot stress enough how dire our financial situation remains.

For and on behalf of The Board of Directors W.R.I.F.C. (2010) Ltd.

T.A. Bolam -Todd

Subject: Whitehaven AFC Sponsorship

Dear Marlene,

As per previous conversations I attach proposal.

I am currently working with Whitehaven AFC to widen their sponsorship opportunities.

The club currently has 36 teams, over 400 players and two first teams (Whitehaven Lions) and (Whitehaven Lionesses).

We are expanding the amount of advertising boards around our pitches which includes a brand new £500K AstroTurf pitch, first team pitch and Queen Elizabeth II pitch.

We are giving businesses and organisations the chance to have their business advertised on a board, supporting the clubs journey and also smartening up the pitches in the process. This also puts our pitch across as a professional pitch like many of the professional league teams. The price includes; Design and proofing process, printing of the board, installation, maintenance and display for a year. You will then be offered to renew it after a year at a substantially cheaper rate.

Exactly what you get;

- Brand new 8X3 ft laminated board, designed and printed using advanced proofing process
- Board installed in a location of your choice, choose from 3 pitches!
- Logo on our website with link through to yours
- Opportunity for photograph with your board and some players
- Several yearly social media mentions (These methods have a combined reach of around 8000 with an estimated 100000 people using our facilities each year)

This is a great opportunity to raise awareness of your organisation and also show people that you care about investing in the community.

Please feel free to contact me direct.

I will forward some photos separately.

**Kind Regards,
Luke Johnston
Director**

Defibrillators in Whitehaven

Purpose of the Report and Recommendation

To consider a Report on the provision by the Council of defibrillators in the Whitehaven area and to consider the recommendations in 3.1, 3.2, and 3.3.

1.0 INTRODUCTION

- 1.1 Under Section 234 of the Public Health Act 1936 the Council has power to provide life saving equipment such as defibrillators.
- 1.2 Members will recall that some months ago a representative from Cardio Cabinets attended a Council meeting and gave a demonstration. This was followed by a talk by Chris Abbott, the Team Leader of the Arlecdon First Responders in the public participation section of the Council meeting on 26th April 2018 (Minute 974/18 refers). At that meeting, although a resolution was not made, Members were in favour of providing defibrillators for the Whitehaven area provided that appropriate sites could be identified.
- 1.3 A meeting was held on 23rd August 2018 between members and Chris Abbott , the Team Leader of the Arlecdon First Responders with a telephone conference with Lauren Watson from the North West Ambulance Service (nwas) to discuss
 - How many defibrillators are required in the Whitehaven area
 - Where they should be located
 - Who would maintain/test/repair them
 - To decide if the Council wished to purchase any defibrillators
- 1.4 Chris Abbott informed the Council that the recommendation was that there should be a defibrillator every 500 metres but that this was not always possible.
- 1.5 Defibrillators once installed needed to be checked by someone and a monthly report submitted to nwas
- 1.6 The Council was informed that 85% of cardiac arrests occur in people's

homes and therefore defibrillators are required on housing estates and that defibrillators could be placed on;-

- Street lighting columns in residential areas
- Outside walls of village/community halls
- Outside walls of shops
- Telephone boxes

1.7 Members would need to advise of the locations in their wards where a defibrillator could be situated

1.8 The result of this meeting was that £20,000 should be set aside for the purchase of defibrillators and the Council could then decide where they should be placed

2.0 COSTINGS AND FINANCIAL POSITION

2.1 The cost of a single defibrillator is £1595 plus VAT (from Cardio Cabinets) and if the Council were to buy 10, 12 or 15 there could be some discount on that.

2.2 It costs £30 for one unit to be delivered but if 8 are delivered on a pallet the cost is £65

2.3 The council would be responsible for the installation costs (the unit needs to connect to an electricity supply) and it is not known how much this would cost. CCC Highways have confirmed that it may be possible to affix and connect the units to their lamp posts provided that it is not a large number of units and the cost of fitting and connecting each unit would be approximately £400 plus VAT.

2.4 The Council would be responsible for paying the unmetered electricity costs of each unit. Again exact costs are not known but it was stated that it would be the region of £13 per year per unit

2.5 Although the units are largely maintenance free they have to be tested on a regular basis. The battery will last approximately 5 years and costs approximately £150 to replace and the pads have to be replaced every two years or after each use and cost approximately £20-35.

2.6 Although there is no specific budget line for defibrillators the money could be vired from other budgets for example:-

- The budget for bus shelters bins and seats is £40,000 and to date £4,643.40 has been spent on seats.
- The budget for Whitehaven in Bloom is £18,000 and to date £3491.00 has been spent

- There has been a saving on the 50% salary of the Markets Officer (budget £6170 but this may change).
- There is an overall surplus on Councillor Ward Grant

:-

3.0 RECOMMENDATION

- 3.1 That Councillors identify where defibrillators could be placed in their Wards
- 3.2 That £20,000 be vired from the budget for bus shelters bins and seats to create a budget line for defibrillators
- 3.3 That the Council then decide how many defibrillators can be purchased and where they are to be sited

Airmen's Memorial Seat

Purpose of the Report and Recommendation

To consider a request from the Whitehaven Heritage Action Group that the Airmen's memorial seat at Kells be replaced by the Council and to make a decision on this

1.0 INTRODUCTION

- 1.1 The Whitehaven Heritage Action Group purchased and installed a seat on the Brows below Kells in 2008 to commemorate an episode in Whitehaven's history when five young airmen died when their plane crashed into the Brows below Kells on 14th October 1943
- 1.2 The seat is wooden and has a commemorative plaque on it (shown at Appendix 1). Over the years the seat has become weatherbeaten and dilapidated which can be seen from the attached photographs and at a recent meeting of the Whitehaven Heritage Action Group a request was made as to whether the Council would consider removing the existing seat and replacing it with a new seat of a type and design the same as those recently installed in Whitehaven provided that the commemorative plaque is attached. This seat would have cast iron metal sides and enviropol slats (recycled plastic) which unlike wood require little or no maintenance.
- 1.3 The land that the seat is on is on a long lease from Copeland Borough Council to the Woodland Trust. The Woodland Trust have agreed to give the Council a licence to gain access to the land and to use their land for maintenance purposes and the draft of this is shown at Appendix 2.
- 1.4 The cost of a seat (based on the price when we recently purchased some) is £465.30 plus VAT plus removal and installation costs.

2.0 RECOMMENDATION

- 2.1 That the Council considers whether or not to purchase a new seat and remove and replace the current seat and reattach the commemorative plaque to the new seat or if that is not possible to purchase a new plaque and affix it..

- 2.2 That if the Council agrees to purchase a new seat/plaque that provided the Council considers the terms of the draft licence to be acceptable, that a licence be entered into with the Woodland Trust to gain access to the land for maintenance purposes and that the Chairman and Deputy Chairman be authorised to sign the licence.

116

APPENDIX 1

IN MEMORY of five WWII airmen:

Flying Officer Henry Joseph O'Gara, age 29, Glasgow;

Sgt Cyril Johnson, 33, Cheshire; Sgt Thomas Inman, 20, Yorkshire;

Sgt Vincent James Dunnigan, 26, USA; Sgt Rene Harold Murphy, 20, Canada

They died here on 14 Oct 1943 when their Avro Anson, on a training flight from RAF Millom, broke up in mid-air and crashed.

TEMPORARY LICENCE AGREEMENT

BETWEEN

Woodland Trust, Kempton Way, Grantham NG31 6 LL (Charity no. 294344, company limited by guarantee no. 1982873) (the "Licensor")

AND

Whitehaven Town Council, The Civic Hall, Lowther Street, Whitehaven, Cumbria, CA28 7SH (the "Licensee")

WHEREAS

1. The Licensor is the heritable owner of the Site
2. The Licensee wishes to use the Site for the Permitted Use
3. In a Temporary Licence Agreement between the parties dated [number] [Month] [Year] the Licensor has agreed, subject to the following conditions, that the Licensee shall have the right during the continuance of this Licence to occupy the Site and use it in accordance with the terms of this Licence.

NOW THEREFORE IT IS AGREED as follows:-

1. Definitions

1.1 In this Licence the following expressions have the following meanings:

"the Agreement" means the Temporary Licence Agreement made between the parties to this Licence and dated [Day] [Month][Year].

"the Commencement Date" Means [Day] [Month] [Year]

"this Licence" means this Licence including the attached plan indicating temporary occupation area hatched black within the area edged red.

"the Licensee" means –

- (a) Whitehaven Town Council; and
- (b) any person or persons in whom, at any time, are vested at that time some or all of the functions of the authorised undertaker;

and includes the Licensee's servants, agents, contractors and sub-contractors, anyone working in a similar capacity for any of such persons and any other person concerned in the execution of the works authorised by the Act.

"Permitted Use" To utilise the area of land temporarily for the replacement

of the "Airmen's Seat" located within the area hatched black on the Plan.

"Plan" means the plan attached to this licence;

"the Site" means Arrowthwaite Wood, Whitehaven, or such part of it as is shown hatched black within the area edged red on plan with being taken directly from the highway.

"the Termination Date" means the date on which the rights granted by this Licence cease to have effect – 31st December 2018

1. Licence

The Licensor hereby grants the Licensee the right, to take temporary possession of the Site, for the purpose of using the Site for the Permitted Use and subject to the terms of this Licence

2. Duration

This Licence shall come into force on the Commencement Date and shall continue to have effect until the Termination Date, or such earlier date as shall be agreed between the parties.

3. Permitted Use

3.1 To utilise the area of land temporarily for the Permitted Use only.

4. Planning Permission and Statutory Requirements

The Licensee shall obtain any necessary planning permission in respect of the Site and shall secure that all operations on the Site are carried out in accordance with any legal or statutory requirement.

5. Conduct, maintenance and restoration of the Site

5.1 The Licensee shall be solely responsible for the maintenance and safety of the Site during the continuance of this Licence.

5.2 All operations conducted on the Site by the Licensee will be carried out with due diligence and care, in a workmanlike manner.

5.3 Prior to this Licence taking effect the Licensee shall carry out a pre-condition survey of the Site to ascertain the condition of the site prior to the commencement of the works.

5.4 During the period of the Licence the Licensee shall carry out inspections of the Site at such intervals that the Licensee considers necessary.

5.5 Before vacating the Site, the Licensee shall remove all temporary works and any vehicles plant, machinery and/or equipment and shall carry out a post-condition survey of the Site for the purpose of restoring the Site to the reasonable satisfaction of the Licensor.

- 5.6 In determining the work required to make good any damage done to the Site, the Licensee shall consult with the Licensor and both parties shall utilise the Site survey records in order to agree any restoration works that are required to restore the Site to the condition of the pre-condition survey.
- 5.7 The Licensee shall use whatever means considered necessary for the purpose of recording the condition of the Site during each survey including, taking photographic and video evidence. The Licensee must make a photographic record of the condition of the Site immediately before taking temporary possession and, if so requested to do so by the Licensor, on restoration of the Site.
- 5.8 The Licensor, together with their representative, shall be entitled to attend all surveys and the Licensee shall provide reasonable notice to the Licensor to allow him to attend.

6. Health and Safety

The Licensee will ensure that its employees, servants, agents and representatives comply with all statutory legislation relating to Health and Safety. The Licensor has no liability in respect of monitoring the Licensee's staff.

7. Liabilities to the Licensor and to Third Parties

- 7.1 The Licensee shall fully indemnify and hold harmless the Licensor, his employees, licensees, agents, contractors and any other representatives of the Licensor and/or any third party against claims, proceedings, damages and expenses in respect of loss or damage to property and/or personal injury or death of any person arising out of or caused by negligence or wilful act or omission of the Licensee, its employees, agents, contractors and other representatives arising out of or in consequence of this Licence save to the extent that an act or omission by the Licensor, his employees, licensees, agents, contractors and any other representatives of the Licensor and/or any third party has caused or contributed to such claims.
- 7.2 The Licensee will indemnify the Licensor against any third party claims and the cost of defending any action raised as a direct consequence of the Licensee's occupation of the Site.

8. Ownership of the Site

The Site will remain the property of the Licensor during the continuance of this Licence.

9. Compensation

The Licensee shall pay the Licensor the sum of £ Nil per month [plus VAT] to occupy the site for the period of its occupation.

10. Disputes

- 10.1 Any dispute under this Licence relating to compensation shall be referred to an arbitrator whose appointment shall be agreed by the Parties, or failing agreement appointed by the President of the Royal Institution of Chartered Surveyors.

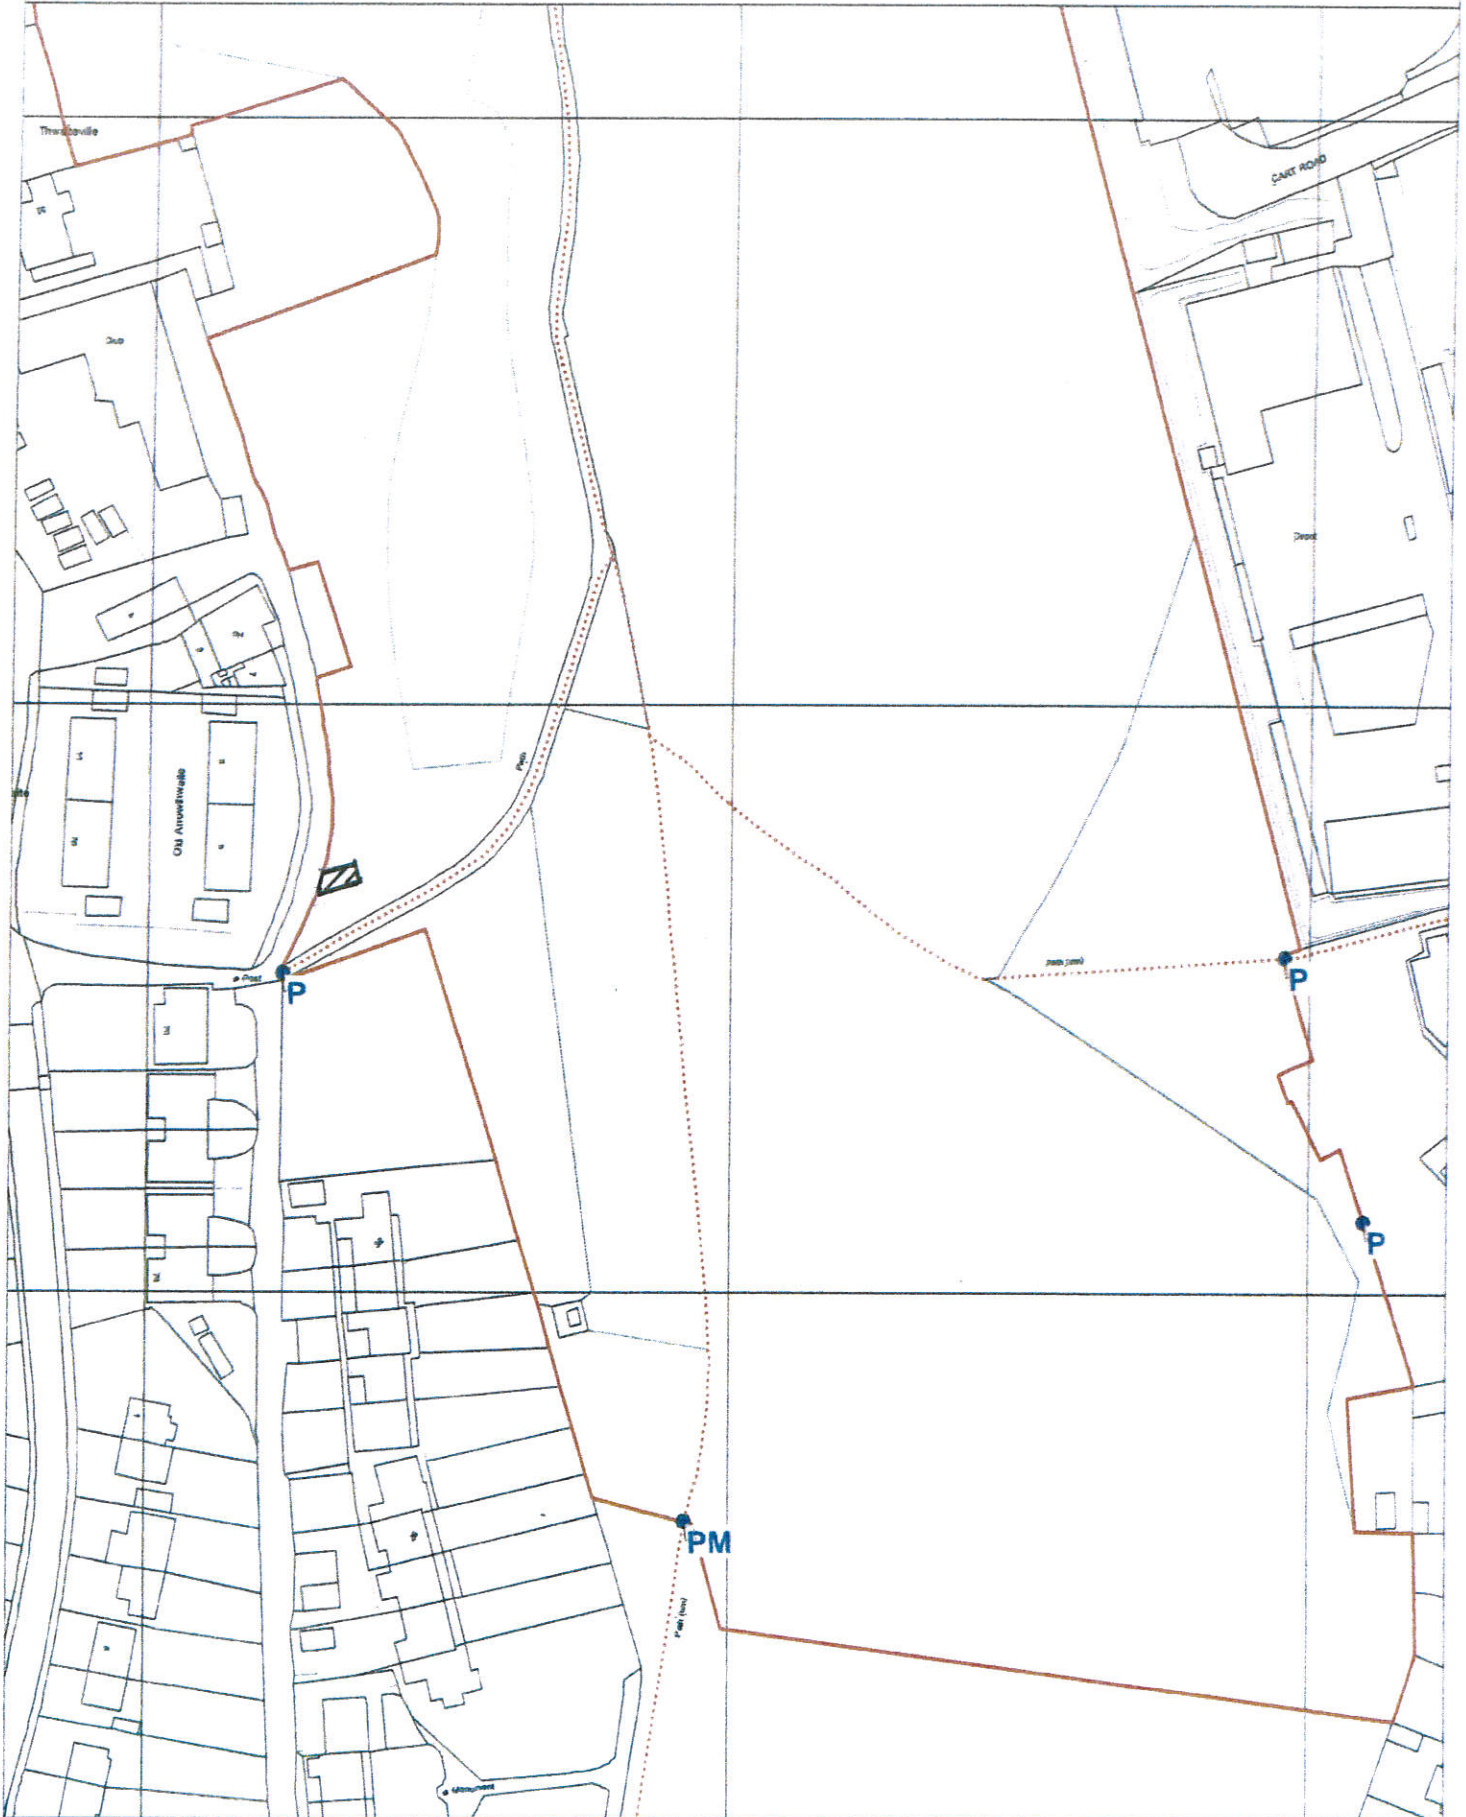

11. Applicable law, jurisdiction and registration

Litter Bins in Wards

Purpose of the Report and Recommendation

To consider a report on the provision of litter bins in wards following a meeting with CBC and to decide the way forward.

1.0 INTRODUCTION

- 1.1 At the Council meeting on 25th January 2018 it was resolved that £10,000 be allocated to the provision of ward litter bins and that all Councillors let Councillor Laine have details of the number and type of bins that they require for their wards and that it be reported back to Council. (Minute 882/18 refers)
- 1.2 Following consideration of the comprehensive report by Councillor Laine the Council on 22nd February 2018 resolved to defer the matter to the next meeting subject to a meeting as soon as possible to discuss the issues with CBC to include local, borough and county councillors and then report back to the next meeting. (Minute 913/18refers)
- 1.3 A meeting took place on 6th August 2018. Janice Carroll the Waste Manager from CBC produced a spreadsheet on the work done to date on the proposals for new bins contained in Councillor Laine's report and it was hoped to complete this shortly (shown at Appendix 1). It was recommended by Janice Carroll that the type of bins to be used should be the Topsy Royale (see Appendix 2).
- 1.4 Members will see that so far 8 new bins have been agreed with 2 existing bins being recommended for relocation.
- 1.5 The sites identified for 18 new bins will need to be assessed
- 1.6 the remainder of the new bins have not been recommended for approval for varying reasons including the fact that some existing bins are already in situ at or very near the proposed locations for new bins.
- 1.7 There is no need to have separate bins for dog bags and all litter including dog bags can be put into an ordinary letter bin.

2.0 COSTS

- 2.1 A Topsy Royale litter bin costs approximately £160 plus VAT. although it is possible that the price would be reduced if several bins were purchased.
- 2.2 When the Council purchased new litter bins for Whitehaven Town centre earlier in the year quotations were requested from other suppliers and Glasdons was the best for price, quality and service.
- 2.3 The litter bins can be installed by the Council's Ranger.
- 2.4 CBC will not charge for emptying any new bin provided that it is installed in a position where CBC is of the opinion that a bin is necessary and can be incorporated into a collection round.

2.0 RECOMMENDATION

- 2.1 That Members consider the information and decide
 - Whether to purchase 8 bins now and have them installed in the agreed positions or wait until Janice Carroll has completed the assessment
 - Whether or not to suspend standing orders to place any order with Glasdons:

Summary and analysis of litter bin proposals from Whitehaven Town Council

Location/street	Ward/Area	No of bins proposed	Specific requests, comments	CBC comments	Existing bins in area	Bin agreed	Site visits
1 Top of Lincoln Road	Hensingham	1	would like to have a fire/vandal proof bin here	The last bin was vandalised near allotments	At play area in Hensingham Park	If suitable location can be found	yes
2 Sneakyeat Rd next to the bus stop one just to the side of the Chinese take away (Peking House) on the grassed area	Hensingham	1		Possible		Yes	
3 Red Lonning, just past the fire station going towards St Benedicts School just before the first firemans houses	Hensingham	1		Litter bin on roundabout very busy road would be hard to empty	On corner of Cleator Moor Rd/Moresoy Rd	Existing bin being moved closer to this location	
4 Richmond Hill Rd - at the junction going down towards the park	Hensingham	1		Possible	At play area in Hensingham Park	Yes	
5 Between the allotments and skate park car park	Hensingham	1	Would like to have a fire/vandal proof bin here		Cast iron litter bin already here	No	
6 Near one of the benches at the bottom end of the park	Hensingham	1	Would like to have a fire/vandal proof bin here	Suggest one at entrance from Cartgate		?	yes
7 Outside St Gregorys Primary School	Harbour	1		Replace dog bin with litter bin?	Dog bin on entrance to cycle path only yards away -	bin exchange suggested	
8 On Whinlatter Rd - next to bus stop near St Gregory's school	Harbour	1		Possible		Yes	
9 Bus stop outside of Whitehaven Castle	Harbour	1			Cast iron litter bin already here	No	
10 Outside the gate of St James infant school	Harbour	1		Possible however finding a suitable location may be an issue		?	yes
11 Station Rd/Calder Ave	Harbour	1			Topsy litter bin already in position	No	
12 Coach Rd - end of cycle track on the pavement roadside	Harbour	1		Possible		Yes	
13 Sunny Hill Junction	Bransty	1			Litter bin near Sunny Hill off footpath	No	
14 Coronation Drive/Victoria Rd	Bransty	1		Finding a suitable space on pavement may be an issue		?	yes
15 Haig Ave junction	Bransty	1			Already litter bin in situ	No	
16 Top Bransty Rd junction - 2 possible sitings - tbc	Bransty	1		Site visit needed to look at locations		?	yes
17 South View (Top of Fairy Path)	Bransty	1	(Info picked up from social media)		Already litter bin in situ	No	
18 New Road (Bottom of Fairy Path)	Bransty	1	(Info picked up from social media)		Already litter bin in situ	No	
19 Brayton Road/Mona Road junction	Bransty	1	(Info picked up from social media)		Already litter bin in situ	No	

20	Bin to be re - sited at Jericho Park	Hillcrest	1	Topsy Royal litter bin - Glasdons	Move into Park would mean Parks servicing	Topsy on Highfield Rd going in to Jericho Park - this would be Parks dept to move	No	
21	Ruskin Drive	Hillcrest	1	Topsy Royal litter bin - Glasdons	Finding a suitable space on pavement likely be an issue		?	yes
22	Red Loning Area	Hillcrest	2	Topsy Royal litter bin - Glasdons		3 bins 2 on Caldbeck Road & 1 on red Loning	No	
23	Another 3 to be dotted about exact location to be confirmed	Hillcrest	3		Can't comment as no location given			
24	Dalegarth/Copeland Junction (2 suggested sites)	Mirehouse	1			Site visit needed to look at locations	?	yes
25	Meadow Rd - bottom of Fairy path	Mirehouse	1			Site visit needed to look at locations	?	yes
26	Meadow Rd - both sides of road by Mcolls shop	Mirehouse	2		Does the shop not already have a bin? Bins in these locations previously were vandalised regularly		?	yes
27	Meadow Rd next to the bench at the junction of Skiddaw Rd	Mirehouse	1			Closest at Pond	yes	
28	Cycle track - entrance at Uldale Rd	Mirehouse	1	Mirehouse shops be resited here *** there are 3 good ones at Mirehouse shops that need Hammerited	Replaced dog bin on here about 5 times after it was set on fire - not replaced after cast iron bin was set on fire	By Nisa shop on Whinlatter - but considering bins for Croasdale end of cycle path	Not recommended	
29	Wasdale Close	Mirehouse	1		2 cast iron litter bins on Wasdale Close previously vandalised numerous times		Not recommended	
30	Derwentwater Rd	Mirehouse	1		Previously vandalised	Site visit needed to look at locations	?	yes
31	Borrowdale Rd	Mirehouse	1			Site visit needed to look at locations	?	yes
32	Cycle track - entrance at Wasdale Close	Mirehouse	1	Fire proof/vandal proof/ cemented down	Previous bin removed as vandalised		Not recommended	
33	Mirehouse Community Centre	Mirehouse	1		Previous bins vandalised & removed. A siite visit needed to look at locations - one at entrance to cycle path possible		?	yes
34	Croasdale Ave leading onto the cycle path	Mirehouse	1	Fire proof/vandal proof/ cemented down	Site visit needed to look at locations		?	yes
35	Meadow Rd junction onto A595	Mirehouse	1			Litter bin by Rutland Ave bus stop	No	
36	The Oval	Mirehouse	1			Finding a suitable space on pavement may be an issue	?	yes
37	Whinlatter Rd - outside Valley Primary school	Mirehouse	1			Cast iron bin by school	No	

marked "1" at the site

metal and more fire proof - they are still in a nick - just need re hammerite on the outside
 Capt bin used here as previous litter bins had to be replaced numerous times due to vandalism - these cannot be moved easily & have lasted without being vandalised

38	Meadow Rd Shops	Mirehouse	3				No
39	Woodhouse Rd/ St Bees Rd (top of the fairy path) 2 possible sitings	Mirehouse	1	Fire proof/vandal proof/ cemented down	H&S hazard - Too many cars speeding past not safe on here	Litter bin on Greenbank Ave getting filled with household waste beer bottles and cans 3 or 4 times	No
40	Meadow Rd play park	Mirehouse	1		Home Group land - not for CBC to service	3 bins provided at shops only metres away	No
41	Link Rd/Meadow Rd junction	Mirehouse	1			Litter bin vandalised replaced 3 times	No

Whitehaven Town Council

From: Metcalf, Richard J <Richard.Metcalf@cumbria.gov.uk>
Sent: 30 July 2018 20:45
To: Whitehaven Town Council
Subject: Whitehaven Parkrun

Hi Vanessa

Hope you are well. I just wanted to keep you up to date following the launch event. Things are going really well.

So Far, in only 5 events.

282 people have completed 420 runs

63 people have run their first ever Parkrun at Whitehaven. A gauge of how we are tackling inactivity

83 "tourists" have visited Whitehaven Parkrun, some from far afield as Scotland and London. I truly expect this number to significantly increase if we take into account non Copeland residents using postcodes. At the moment I can only take it from peoples "home" parkrun and I haven't included people who have visited Workington parkrun frequently. I am currently in contact with Parkrun HQ about getting a postcode breakdown.

All this supported by 22 volunteers on 41 occasions giving approx. 61.5 hours

Hope this is OK for now. Thanks for all of your support, I would be very grateful if you could pass the information and my thanks to your members.

St Nicholas Gardens

Purpose of the Report and Recommendation

To inform Members of a recent meeting held with CBC and to approve the recommendation at paragraph 2.1.

1.0 INTRODUCTION

- 1.1 Further to Minute 1047/18 a meeting was held with Copeland Borough Council where it was recommended that both Councils would work in partnership for this project with input from St Nicholas. The Borough Council agreed as their contribution to the project to cut the grass 10 times a year and the hedges twice a year in St Nicholas Gardens.
- 1.2 For works to be carried out the Borough Council agreed to obtain 3 quotes from suppliers (as they do for other Town Councils) and these will be reported back to Council for approval. This will then comply with the Council's Standing Orders (No.11) which requires 3 estimates/quotations to be sought for works/supplies. There is no obligation to accept the lowest estimate/quotation as long as we are getting value for money.
- 1.3 Alternatively the Council may wish to resolve to suspend Financial Regulation 11 to work in partnership with CBC because of best value and business continuity for the benefit of the community and tourists
- 1.4 There will be regular meetings between all parties the results of which will be reported back to full Council for any necessary approval.

2.0 RECOMMENDATION

- 2.1 It is recommended that the Council approve and note the action taken to date.
