WHITEHAVEN CONSOLIDATION ORDER

Schedule 54

Revocation of Existing Orders

Title of Order

Extent of Revocation

The County of Cumbria (Various Roads, Whitehaven)
(Consolidation and Provision of Traffic Regulations)
Order 2018

The entire Order

TRO ISSUES FROM ZOOM MEETING AND APPROVED BY EXTRAORDINARY COUNCIL MEETING ON 9TH MARCH 2023

- As previously noted, severe parking issues around WEST CUMBERLAND HOSPITAL especially re visitors and staff.

Parking on Cambridge and Cumberland Road. It is suggested that there should be double yellow lines down one side of each of the roads or give residents only parking permits - 2 per house

- RUTLAND AVENUE, severe parking issues. This is a cul- de- sac and there are refuse collection problems as cars are parked on both sides of the road. One side of the road should be double yellow lines
- **TOWN CENTRE**
- Lowther street, double parking by disabled residents causing log jamming traffic issues. Loading Bays, with many totally unused and need reviewed to increase parking provision.
- Market Place ,Domination of disabled bays causing constant issues and driving customers away.
- Significant number of DISABLED parking bays within the town, well above the nominated ratio.
- Dangerous blind spot accessing Lowther Street from Queen Street.
- REMOVAL OF CENTRAL BUS STOP FROM LOWTHER STREET TO SITE ADJACENT TO CIVIV HALL (Plans already drawn up by CCC). Bus route to be modified appropriately.
- Full review of parking permits issued to verify legality.
- **SCHOOLS**
- Full review of all primary Schools serving the town and modifications for each suggested. All have serious parking issues at key times.
- St Benedicts Campus and Whitehaven Academy have complex issues resulting from inadequate CCC planning and need a full scale review and changes implemented, before injuries that have occurred become a fatality.
- More off road parking is required for Corkicle around St Gregory's and St Begs Schools. There is a great deal of land around both schools that could be better utilised for parking. The conversion of grassed areas into parking would reduce the costs of maintaining the grassland.

**LIITLE HAS CHANGED IN OUR TOWN DURING THE LIFE OF
THE TOWN COUNCIL DESPITE NUMEROUS MEETINGS.**
